Planning the attack

Poll captains met at the home of Mrs. Melanie Stephens, chairman of the residential campaign in St. Albert for the United Community Fund, on Monday night to map out plans for the blitz which will get under way on Oct. 14 and run to Oct. 17. Going over a route map are (from left) Mrs. June Bishop, Mrs. Jane Varner, Mrs. Stephens and Mrs. Lou Chartrand. Help is urgently needed so anyone willing to assist should phone Mrs. Stephens at 599-8763.

Election forum set for Oct. 9

An Election rally will be held in the Club Mocombo meeting hall (REAR) at 8 p.m. October 9.

Three men are running for two seats on council incumbent Frank Lukay, former councillor John de Bruijn and a newcomer to the local political scene Les Moorby.

The forum featuring the council candidates will provide the only election action this year. There is no mayoralty contest and members of both school boards were returned by acclamation.

The forum is being sponsored by the town. It will be conducted by the Chamber of Commerce.

PETER LOUGHEED

Tory leader to speak here

Peter Lougheed, leader of the provincial Progressive Conservative Party, will speak in St. Albert on Tuesday, Oct. 14.

Mr. Lougheed will address the regular meeting of the St. Albert Chamber of Commerce at the Club Mocombo.

A message from the fire chief

With Fire Prevention Week being observed from Oct. 5 to 11, the co-operation of all citizens is asked in doing away with potential fire hazards that accumulate from time to time.

The time of the year is here again when you should have your heating appliances checked and serviced before the cold weather arrives.

We only had a few homes involved in fire this year and with the practice of proper fire prevention at all times will lower this figure even further.

The best time to stop a fire is before it starts.

The program of home inspections at present is being carried out in the Mission

Park area and on completion inspectors will work into the centre of town.

Do not store any flammable material in a home. It is not only against the town's fire prevention bylaw but also extremely dangerous.

Open House will be held at the fire hall during Fire Prevention Week. Drop in and see your Fire Hall and be free to discuss fire prevention in homes, etc.

For information call 599-7021. Use 599-7777 for emergency calls only. Let's all work to the goal of no home fires in 1970.

Fred Tetarenko,
Fire Chief.

School zone hours defined

Depending, of course, on how you look at things, the radar trap RCMP used in school zones throughout the town last week produced pretty good results.

Few, if any, motorists displayed a heavy foot on the gas pedal when anywhere near a school zone this week.

One driver, muttering that some of the local detachment's members must be suffering from writer's cramp, also complained that not enough publicity was given to the speed limit in school zones and to the hours that it is in effect.

Sgt. Ken Williams, head of the local detachment, feeling it was a valid point, responded with:

"The speed limit in an urban area is 20 m.p.h. on any day on which school is held during the hours of 8 to 9:30 a.m., 11:30 a.m. to 1:30 p.m. and 3 to 4:30 p.m. "In playground areas, the speed limit is 20 m.p.h.

from 8:30 a.m. until one hour after sunset."

He added that in rural areas, the speed limit is 25 m.p.h. in school zones and playground areas.

BETTY ANDERSON

Pretty well everyone in St. Albert knows how much Betty Anderson likes curling. But in a skirt? Another picture on Page 6

Approval in principle given new arena project

Council gave approval in principle Monday night to a proposal that would put a cover over the existing skating facility in Salisbury Park in Sturgeon Heights.

Rudy Scheibelhofer, backed by the St. Albert Chamber of Commerce, presented a plan to council that would provide a building 216 feet long and 120 feet wide at a cost of \$76,975, plus another \$6,000 to \$10,000 for foundations.

The building, which would be constructed by Parkins

Construction Limited of Edmonton, could be erected in six to eight weeks.

In giving approval in principle, council paved the way for an immediate start on negotiations to get the project under way.

As the money bly on the books only provides for \$75,000, the remainder has to be obtained through public subscription. This is expected to come from the St. Albert and District Arena Fund, as the committee administering it gave approval

to the plan at a meeting last week.

Approval also allowed the construction firm to put a hold on a Butler Building at a five per cent reduction, a saving of about \$3,800.

Doug Endres, a Parkins representative, said that the change facilities and existing lighting could be used for a time, but provision has been made for an addition in the future for such facilities as new change rooms, foyer, washrooms and lunch counter area.

He estimated there would be eventual seating capacity of more than 2000. Some temporary seats could be erected in the meantime but would be nowhere near that figure.

"If we can get the shell up, then I believe the citizens will back us into making this into a pretty good arena," Mr. Scheibelhofer told council.

Councillor Bob Russell, supporting the proposal, said it would give the town a much-needed skating facility now and if something else in the way of an arena was erected in years to come, it would still serve as an adequate community facility.

Mr. Endres said the building would provide for a 20-foot clearance over the ice surface. He said that if more were required, when permanent seating was installed the ice surface could be dug down about three feet.

He said it would be a simple matter in years to come to put an assembly area on the front of the building, possible combining the elements of brick and steel.

Councillors Russell, Rene Kambouroff, Frank Lukay and R. G. Wheatley, who said it was a disgrace that St. Albert didn't have some kind of covered skating facility, voted in favour of the approval in principle motion.

Mayor Ray Gibbon and Councillor J. J. Bakker, who urged caution, opposed the move.

"We have been stamped quite well tonight," Councillor Bakker observed, "and I caution against it. "We would be better off to wait until the financial picture of the town changes. This council appears to be willing to spend money like it's going out of style."

Councillor Bakker said the building would be the wrong type going in the wrong place at the wrong time.

There have also been some complaints voiced from residents of area, who do not want the arena situated in Salisbury Park.

Council to review town's finances

A meeting to review the town's finances has been labelled a priority item by council.

Councillor J. J. Bakker pushed the move during discussion of proposed purchase of replacement equipment during council's regular meeting Monday night.

Councillor Bakker opposed purchase of any equipment at this time, stating that the town did not have the money to pay for it.

He said money should have been set aside in a reserve fund to replace equipment, but it hadn't been.

"The reserve is, in fact, a paper entry," he claimed.

Mayor Ray Gibbon interjected that if there was going to be a reserve, council would have to tax for it.

Councillor Bakker said "we are, supposedly."

The mayor disagreed. Councillor R. G. Wheatley said it was a bit of a joke that the town had a reserve with no cash in it.

"It has to be reviewed all the way through," he said, "to find out how we are going to be able to build it up."

The replacement equipment involved two three-quarter ton trucks requested by Town Engineer Jan Maandag.

Mr. Maandag said the vehicles were in such bad shape that he was afraid to take them through the vehicle testing centre and they were past the deadline.

Purchase of the trucks will be considered at the meeting reviewing finances.

Council briefs

Councillor J. J. Bakker on Monday asked council's indulgence to get finished early at the meeting on Oct. 13.

"Mrs. Bakker and I invite council and school board members for coffee at our house at this time each year, on the eve of the election, to say goodbye to any who might not be with us after," Councillor Bakker said.

While the others laughed, Councillor Frank Lukay managed a weak grin.

He will be the only councillor fighting for his political life in the election as Councillor Armand Donalds is not running again.

All members of both school boards were returned by acclamation.

A request by Jasper Auto Parts to erect an eight-foot high fence around a portion

of its property north of its main building was rejected on a 6-0 vote.

Mayor Ray Gibbon and Councillor Rene Kambouroff were to attend a meeting tonight, Oct. 1, of representatives of municipalities in the Edmonton area to give further consideration to matters arising out of the Hanson report on annexation. A similar meeting, also sponsored by the County of Strathcona, was held in May of 1968.

Council voted to install a school zone sign on Grandville Avenue to warn motorists turning onto Grosvenor Boulevard that they would be doing so in the middle of the school zone for Sir George Simpson Elementary and Junior High Schools.

RECREATION Hi-Lites

HERCULES SOCCER

The Mosquitoes, coached by Gordon Beckwith, won the Hercules Premier League Challenge Cup on Saturday in an exciting game at Grosvenor Park against the Spurs who were coached by Ken Pollard. The score was 2-0, both of the Mosquitoes' goals being scored by Matt Gibbon (one from a penalty).

The Cup was presented to Captain Matt Gibbon by Dou Hunt, president of the Hercules Sports Association. At the same time, the Premier League Trophy was also presented to the winners, Ken Pollard's Spurs. This trophy was donated by Del Larsen of Delcon Management Ltd. and was presented on his behalf by Lloyd Hopkins, manager of the soccer division of the Hercules Association.

The teams going into the second round of the St. Albert Little Atom League Challenge Cup are those coached by Messrs. Drysdale, Ken Pollard, Larsen and Kelly and the winners of the game between the teams of Mr. Hunt and Mr. Young.

At the Challenge Cup Finals held recently in the Field House, Mrs. Kay Hopkins was presented with a bouquet of beautiful carnations on behalf of the Edmonton and District Metro-politan League.

Day or Night

This unusual presentation was in recognition of Kay's devotion to soccer and "her boys." Indeed, all boys. As Mr. F. Potter, president of the Metropolitan League, said in his speech, Kay was always there with the pat on the shoulder, the band-aid or the cool drink for any boy, whether he played for St. Albert or not.

Although Kay regards the presentation as a gesture to St. Albert, it was, in the opinion of everybody there, a tribute to her personally. Both she and her husband, Lloyd, have been intensely involved with soccer in St. Albert for several years and supported by the loyal band of coaches from the Hercules Sports Association, have made St. Albert a name to be reckoned with in the soccer world.

HERCULES BASKETBALL
John Field, who is coaching basketball for boys between the ages of 12 and 16, will welcome boys in this age group at Father Jan School on Thursday evening at 7 p.m. when registrations will be taken. Practices will be held on Mondays and Thursdays in this school from 7 - 9 p.m. and boys who play soccer during the summer are reminded that this is an excellent way of keeping in form during the winter.

DANCING
A well-known teacher of English folk dancing and international dancing is willing to hold classes in St. Albert. If there is sufficient interest, please phone the department of parks and recreation at 599-8601. If interested, if there is a good response a class may be organized.

BADMINTON
Badminton will start in Vital Grandin School on Monday, Oct. 6, at 8 p.m. Newcomers to St. Albert will be made welcome and inquiries may be made by phoning Mrs. Beryl Harding at 599-7313 or Mrs. Doreen Dolman at 599-7248.

CAMPING
The St. Albert 69ers Family Camping Club will resume their monthly meetings on Oct. 8 at the Clubhouse (beside the swimming pool) at 8 p.m. The purpose of this club is to promote better camping and to acquire the proper authorities of the need for improved facilities when necessary.

Camping is a family affair and everyone interested is invited to attend this meeting next Wednesday. (Coffee will be served). For further information phone 599-8290.

SENIOR BASKETBALL
The St. Albert Senior Basketball team will hold its first practice in Sir George Simpson Junior High School on Thursday, Oct. 16 at 7:30 p.m. This program is for boys and men of 17 and over.

YMCA PROGRAM
Swedish Gym for girls will start in Leo Nickerson School on Oct. 2. Girls from 5 - 8 years of age should attend at 6:30 p.m. and those 9 and over should attend at 7:15 p.m.

Children's gym will be held on Tuesdays in Leo Nickerson School with children from 6 - 9 years of age

attending between 6:30 and 7:30 p.m. and those between 10 and 12 from 7:30 - 8:30 p.m. (Note that this class will be held on Tuesdays and not on Thursdays as indicated in the brochure circulated to YMCA members). The program starts on Oct. 7.

There will be a men's keep fit class at Sir Alexander Mackenzie School on Wednesdays from 7 - 9 p.m. starting on Oct. 8.

Basketball for boys and girls (12 - 15 years) will be held on Tuesdays at Sir George Simpson Junior High School and on Thursdays at Sir Alexander Mackenzie School from 7:30 - 9:30 p.m. each night. First practice will be on Oct. 7 and 9 in the respective schools.

For information regarding these programs phone Mrs. Phillips at 599-6445.

SQUARE DANCING
The Beginners' Square-dancing Club will meet in the Clubhouse on Friday evening at 8:30 p.m. when newcomers to St. Albert will be made very welcome.

The regular club, the St. Albert Saints and Sinners, will not be meeting in St. Albert this week. Members will be attending the first dance of the season sponsored by the Edmonton and District Square Dancing Association at Ross Sheppard and High School.

SKIING
Although hope has not yet been given up for the Indian summer the weatherman keeps telling us about, it is not too early to think and plan for skiing.

Anyone interested in attending this class aimed at getting into the fine physical condition necessary for skiing is asked to phone the department of parks and recreation. If there is enough response, a get-fit-for-skiing class may be arranged.

"You mean you gave up smoking, drinking and gambling for her?"
"I sure did."
"Then why didn't you marry her?"
"Well, I figured that since I'd become such a clean cut, 'I sure did' person, I could do better."

A beauty parlor in our town has this sign in its window:
"Don't whistle at the girls leaving here - one of them may be your Grandmother."

Beefs and bouquets

EDITOR'S NOTE:-Beefs and Bouquets will be printed with pen names if desired but submissions must bear the sender's signature and address.

BEFFS
To the federal post office department for not providing more mailboxes in the residential areas of St. Albert.

To the pop-manufacturing firms that make and distribute disposable pop bottles.

To any and all firms or institutions flying faded, tattered flags.

To people who crowd around the scene of an accident.

BOUQUETS
To the St. Albert parks and recreation department for the many fine programs being initiated in our community.

To all the personnel volunteering their time and energies to the Browale, Cub and Scout movements here in St. Albert.

To all the personnel who coach various sports teams of our youth.

To the adults who have enough faith in our teenagers to try and initiate the Teen Centre again. (Also to the teens involved!)

A big bouquet and thank you to all the St. Albert and surrounding district ladies who attended the fall fashion show in the Community Hall, Simpson-Seares for presenting the show, and all who

helped to make the evening a big success.

Sturgeon Heights
Unit of the UGW

A big "boo!" to the people who break bottles on the streets and sidewalks of our town.

The Candidates Express Their Views

To all residents of St. Albert may I introduce myself:

Councillor Frank Lukay, registered professional engineer of Alberta since (1958). Presently an instructor at the Northern Alberta Institute of Technology. Married with three children. Resident in the Town of St. Albert since 1962. Active in the local scouting organization for the past four years. Have served as your councillor, to the best of my ability, for the past 20 months.

I am now soliciting your support to re-elect me to the St. Albert town council with the firm conviction that I can continue to serve this community most effectively. The following will indicate where and how I can assist council.

This year the town has commenced the first leg of major repair work (reapplying of pavement) since the

roads were constructed. Over the next few years, a large portion of our tax dollar will be diverted to cover the costs of repair and upkeep of all services. It is my concern that such expenditures be kept to a realistic minimum, resulting in the most efficient use of your money. I feel that my training and experience as a professional engineer will contribute to the success of this endeavor.

At present, the town is experiencing an increase in residential development. Our tax base is mainly residential and we are well aware of the burden it creates for the homeowner. Hence, it is very important that there be no increase in this existing heavy burden when riding new services, followed by the cost of maintaining and repairing same. Again, my training and experience as a professional engineer will aid in the economic and aesthetic planning for the present and the future of the community.

For several years now, the residents of the Town of St. Albert have been looking forward to the addition of an arena to the town's recreation facilities. It is necessary to mention that the Local Authority Board has placed a limitation on the long term borrowing for this project. This limitation is \$75,000. I feel that substantially more monies will be required to provide this facility. However, in my opinion, this facility can become a reality barring any further economic

I am alarmed - and I believe not, if not all the residents of St. Albert are, at the changing face of St. Albert. We could become ringed around with a high density type of living. In effect we will have 2300 people living in a town within a town in the West Grandin Park Condominium. Yet this development will add little or nothing to help the tax problems of the town. What taxes we do get from this type of housing will have to be put back into new schools and all that goes with them.

Council approved plans eight months ago for a condominium type housing — mic recessions. Here again, my background can contribute substantially in this endeavor.

To carry out this work, I need your support, so I ask you - "Election Day - Vote Lukay."

F. J. Lukay.

development in Braeside which is pending development. Last week council approved a giant 500 unit condominium. And at the same time they re-zoned extra parcels of land adjoining the project, to a multiple dwelling classification. All we need is for Sturgeon Heights and Mission Park to have similar projects and there will be completed.

Don't get me wrong - I am not against the town taking a steady growth. But let us take it easy and not rush into something we might be sorry for later. I consider 500 units rushing things.

There are other ways to help our tax problems such as to attract light industry and commercial development which would yield a higher tax return. The type of commercial development which has been so ideally incorporated into the city of Don Mills within greater Toronto, would serve St. Albert very well, without introducing any pollution, eyesore or parking problems. Bonaventure Industrial Park is also an example of the type of development which would be an asset to St. Albert along the highway.

The only promise I will make to the voters is that I will work hard on their behalf if they elect me. I am in a position and fully prepared to attend all regular, committee and special meetings required in my job as councillor. I am also prepared to devote time to study and to investigate all developments such as condominiums. I would strongly support an attitude of caution on the part of council before rushing into any such development. I would support council in persisting in their attempt to persuade the Union of Urban Municipalities to press for a greater portion of school costs to come from the provincial government.

Now you might like to know who I am. Well just a taxpayer like yourself. I was educated in England and finished my education at the London School of Printing and Economics. I was in the army for three years as a paratrooper and also an instructor at the Army M.T. College. When I came out of the army I was employed at various national daily newspapers until I moved to Canada in 1957. I started work at the Calgary Albertan. Later I moved to the Edmonton Journal where I became president of the pressman union and vice president of the Saskatchewan and Alberta joint council. For the past three years I have been general manager of North Hill News, Edmonton, of which I am part owner and director.

Mrs. Moorby and I came to St. Albert five years ago because we thought it was the best place to bring up a family, and I might say we still do. We have one son and five daughters and an infant boy that has come to make his home with us. I am 43 years old.

I am asking you, the residents of St. Albert, for your support on Oct. 15th, to give

Every election has issues; I believe there are two main issues in this election.

1. The high property taxes being levied in the town.

2. The change in concept for the future development of the town as indicated by the major rezoning bylaw passed by council on Sept. 22.

There is not much the municipal council can do to reduce the taxes being levied. However, I do believe the ratepayers can expect council to exert greater pressure on the provincial government to find some way to reduce the burden of educational financing being borne by the homeowner.

One suggestion would be for the province to relate the homeowners' grant to the mill rate being levied by the municipal government as a supplementary requisition. Council could also suggest to the province a machinery tax. A machinery tax would be a most equitable method of financing education as really it is the education of the people that enables

me the opportunity to do the job on council which I believe I can do.

Please get out and vote. Thank You Les Moorby.

industry to function. At present we are educated at public expense, with industry the prime benefactor.

A provincial machinery tax would also eliminate the advantages gained by those municipalities with high industrial assessment and thus make bedroom towns such as St. Albert more viable.

The second issue, that regarding the rezoning of West Grandin Park, is of vital concern to all residents in the community.

When council passed the rezoning bylaw, creating an area of some 96 acres for multiple family residences, they drastically changed the original concept of the town. Originally St. Albert was to be a town of primarily single-family houses.

The majority of the present residents purchased their homes with this in mind. I do not believe that four men have the right to initiate so major a change without first seeking an expression of public opinion by means of a referendum.

All council accomplished in passing their rezoning bylaw was the making of a fat profit for the promoters who own the land involved. In soliciting your support Oct. 15, I promise that both the tax structure and the recent rezoning will be carefully reviewed and, if possible, rectified.

John de Bruljn.

Councillor critical of RCMP investigation

The local detachment of the RCMP came under attack from Councillor J.J. Bakker at nearly every turn Monday night.

And the assault culminated with council voting 5-1 (Mayor Ray Gibbon opposing) to ask RCMP for a "clear statement of their policy in regard to investigation of accidents in the town when there are no injuries or deaths."

Councillor Bakker's criticism stemmed from RCMP handling of an accident case in St. Albert on Sept. 21 when a car went out of control at the corner of Grosvenor Boulevard and Grenfell Avenue and rolled, demolishing a bus stop shelter in the process.

"It appears that if you are speeding you get a ticket," Councillor Bakker said. "But if you are speeding and hit a bus shelter, then it's all right."

He said it was very fortunate that no one was in the shelter at the time.

Sgt. Ken Williams, head of the local detachment, said there wasn't enough evidence to lay charges. He said the driver had said a flat tire pulled the car out of control. Following the accident two tires were found to be flat.

Council voted 6-0 to obtain a transceiver unit from Alberta Government Telephones for the detachment, but

Councillor Bakker couldn't resist a minor dig here either.

He supported the motion although he said he sometimes doubted the efficiency of the RCMP.

And he reminded council that only a short while ago it turned down a request for radio communications, which was thought to be worthwhile. (Council voted against installing two-way radios in public works vehicles.)

The councillor continued his attack during discussion of a recommendation by Mayor Gibbon that the town immediately requisition for a 12th man for the local detachment to commence in April, 1971.

He moved an amendment that the town ask for "a trained man." The amendment was defeated 4-2.

The mayor's recommendation passed 5-1, Councillor Bakker asking that his vote against be recorded.

Mayor Gibbon said it was assumed that the town's population will have reached 12,000 by April of 1971, and the extra man would be required to keep in line with the established town policy of one man per 1,000 population.

The transceiver unit, rental for which will be \$37.65 a month, will allow for

greater mobility for officers on patrol.

Sgt. Williams said the portable unit is convenient and presents a greater degree of safety for members on patrol than the cars equipped with radio phone or radio communication.

"He can be in constant touch with the office and with the mobile phone in the patrol car," Sgt. Williams said in the letter accompanying his request to council. "This is a matter of significance when checking doors around business premises or residential property checks for prowlers."

"One man can drop off and do foot patrol search or surveillance and will always be in touch with other members if assistance is required to make an arrest or to remove a prisoner to cells."

Sgt. Williams said when the car with the mobile phone becomes inoperative, a man must be brought into the office on night shift to stand by for phone calls as the patrolling member has no phone communication. The transceiver unit can be taken and used effectively from any car, even without an outside antenna.

EXPOS BALL TEAM MEMBERS

Members of the Expos were Darcy Purdon, Stacy Goodman, Matt Enright, Albert Vanoni, Al Maltby, Moe Berg, Brad Gibbeau, John Yeske, Jackson Briggs, Danny Desplas, Ken Parachko, Mike Mitchell, Brian Mirtle. Coaches Bob Mirtle and Derek Brindle.

Enjoy singing, join the singers

The St. Albert Singers are a community choir which grew from a nucleus of the United Church Choir, but now encompasses anyone in the community - from high schooler to grandparent-who enjoys singing. Last year the group numbered from 30 - 40, and presented "A Family Christmas Chorale" and "An April Evening of Song," as well as singing at the Yoville Home.

Several exciting chorals works are planned for the second season. There will be old and new Christmas Music, and the singers are considering inviting other groups to share in an evening with them.

The group will be learning Randall Thompson's beautiful setting of "Alleluia," and the contemporary sound of Alexander Pelouquin in "Christ the Light of the

Nations." Pelouquin, in Edmonton this month for his second choral workshop here has chosen words from the Vedic 11, and employs forceful rhythms and striking harmonies throughout.

The group will be on the look-out for some competent bongo players who will be needed to accompany them in this work.

Rounding out the program for the year will be some music in the lighter vein, perhaps some Gilbert and Sullivan Choruses, selections for ladies and men's choruses, as was suggested at the end of last season. Tentative plans for this year include entries in the Edmonton Rotary Carol Festival and the Edmonton Kiwanis Musical Festival, as well as the presentation of a Spring Concert.

Musical director again this year will be Mrs. Lillian Upright, who has been accompanying and/or directing choirs for 15 years. At present she is associate conductor and accompanist of the University Singers, and the musical director of St. Albert United Church.

Rehearsals start Thursday, Oct. 2, at 8:30 p.m. In the lower hall of the United Church. Registrations, at \$1 per person will be accepted until Oct. 16 for the first term, which concludes at Christmas.

Ball season ends

The minor baseball season in St. Albert officially ended Sunday with a barbecue held in what really couldn't be described as even being good football weather.

However, more than 200 youngsters and their fathers braved the wind and cold to do justice to the hamburgers and beans, pop and hot coffee the Lions Club served up in great quantities in Lions Park.

With little of the ceremony of past years in crowded banquet halls in evidence, the youngsters romped and fought and gorged themselves while fathers and coaches huddled in little groups to talk of the season past and the one to come and to curse, oh, but ever so gently, the fate that put them in this cold spot this day.

Lions President Rock Holman and sports chairman Ken Moore made presentations to the Pirates, Sturgeon League champions and also St. Albert Champions in Little Canadian Baseball; the Angels, Grand League champions who gave the Pirates so hard a run in the inter-league playoffs; and Expos, the gallant young champions of the first-year Mission League.

Coach Wilf Reinbold and his Dodgers, champions of the bantam league, were also honored.

Members of the Dodgers were Matt Lister, Doug MacKenzie, Randy Reinbold, Dale Broche, Neil Channey, Matt Lewis, Michael McLaughlin, Doug Reinbold, Cyril Blonette, Bob Gonerue, Marcel Berard, Steve Lister, Leon Hebert and Maurice Gauthier.

Members of the Angels were Brian Bedell, Gary Bondervitch, Chris Krupa, Roger Meunier, Greg Ford, Roy Galloway, Murray Riddell, Danny Bishop, Mark Cunningham, Blair Wiggins, Kenny Gossin and Douglas Adamyk. Coaches Armand

LaCourse and Roy Galloway.

Ladies organize for curling

About 60 St. Albert women attended a meeting in the Curling Rink on Tuesday night to formulate plans for the coming season. Getting her hands on the first rock of the season was Betty Anderson, who will be attired

much differently when the shooting starts for real in mid-October. Betty, a member of the Ladies' Curling Club's executive, said the club would open with a "fun" bonspiel Oct. 18.

Public school system cuts bus routes

Increasing deficits in the transportation account has prompted the St. Albert Public School District to drop two bus runs through Grandin

dia Park to Albert Lacombe School.

It has established on a trial basis, however, one route on which a bus carrying students from outside Grandin will make stops at two points in North Grandin. In a letter sent to parents, board Chairman D. B. Fraser said:

"Bus service within the district has been reviewed because deficits in the transportation account have increased since 1969. The Board must introduce economies wherever possible in an effort to eliminate this deficit and check rising taxes."

"Your board has the most lenient policy of any in the

St. Albert and Edmonton districts because we allow children who live within one and one half miles from their school to board buses travelling to their school, providing all seats are not occupied by children living beyond the limit."

"Growth in the system has been such that there are few seats available for Grandin Park elementary students attending Albert Lacombe School. Furthermore the two buses presently serving Albert Lacombe school are carrying so few students outside the one and a half mile limit that the grant received for these runs is not sufficient to pay the cost."

The new bus route went into effect Monday and students were picked up at the recreation centre and the corner of Grosvenor Boulevard and Gaylord Place about 8:35 a.m.

"The purpose of this bus," Mr. Fraser said, "is to serve the children living in the extreme north part of Grandin Park. It will not be able to carry all students presently being bused and the second stop is a major change affecting children living near and south of Grandville Avenue."

"For further information feel free to contact Chris McDonnell, secretary-treasurer, at 599-7711 or myself at 599-7005."

No. 1 SALESMAN
A couple of youngsters knocked at the door of a home and a young wife answered. One of the lads, with the mak-

ings of a salesman, said: "Morning Missus, Want us to shovel the snow off your walks, or is your husband going to be henpecked?"

The Welcome Wagon Newcomers' Club elected a new executive recently. Back row from left to right are Terry Mated, hospitality; Jerry Ficht, treasurer; Heather Nielsen, vice-president and Harriet Turk, president. Front row from left Jean Kane, reservations; Bea Popoff, membership; and Sheila Cooper, secretary.

Local boys playing football

It would appear that it's about time that Paul Kane High School started thinking about reorganizing its football team.

Paul Kane this year is supplying most of the talent for Jenner Motors Pontiacs in the city bantam league.

Coach Whitey Tuss grabbed the St. Albert players when he found himself with a shortage of players as the season was about to open.

"Most of the players that started with us left when their school teams started practising," he said. "Actually, we were left with only about five players so when we heard some boys in St. Albert wanted to play, we got on the phone. We picked up about 16 St. Albert boys had the team reorganized in about two days."

The reorganized team, however, only had time for two practices before its first league game. At that point it had already defaulted one and since has lost the three it has played, the last a 20-7 defeat at the hands of Jasper Place Lions last Saturday.

"It really doesn't tell the story," Whitey said. "These kids are good athletes. We just didn't have time to get things going."

Wayne Biggs is quarterback of the club. Mike Mulloy holds down one halfback spot and Dave Wright runs out of the fullback position.

Jenners next and final game is against Palmer 49-ers at the Jasper Place Bowl at 1 p.m. Saturday.

Professor: "Psychologists say a hysterical girl is easily quieted with a warm kiss." Student: "What do they say is the best way to get them hysterical?"

BILLBOARD

COMMUNITY NEWS

Athlone Home and School Association will hold its first general meeting of the term in Athlone School at 8 p.m. Oct. 8. All parents are invited to attend and meet their children's teachers.

Athlone's adult recreation program starts Oct. 7 in Athlone Gym, with badminton from 8 to 9 p.m. and volleyball from 9 to 10, and runs every Tuesday night until spring.

More midget and juvenile hockey players are welcome to register in Athlone, Phone Stan Stretch, 455-9543 or Jerry Burke, 454-7087.

Athlone has more hockey teams this year than ever. Enough players for 11 teams have registered.

During the summer, vandals damaged the skating rink in Athlone, in order to get the rink fixed for the season, a work party is set for Oct. 4 from 2 to 5 p.m. Everybody in the community is asked to put in an hour or so. "Bring a hammer and a saw and let us get this done," says John Fuga.

Public skating will be the main issue during a general community league meeting at Athlone Hall at 8:30 p.m., Oct. 6.

Bill Van Schaik points out that the Athlone Community League has increased during the last year with 160 new members and totals 300 members for the coming season.

Bingo has started for the season and runs every Friday from 8 p.m. in the Athlone Hall.

A workshop is opened at the Eastglen Composite High School Oct. 18 for all new executives in the community's Home and School Association.

Soccer playoff

Athlone peewee soccer team lost 1-0 to Glangarry in the Central league playoffs at the Kinsmen Field House on Friday.

Glangarry will meet the winner of the Jasper Place-Russlyn game. The final will be played at the Kinsmen Field House Friday and can be watched free of charge.

This weeks winner

The winner of last week's You Name It is Mrs. Katherine Crutchfield of 12823 134A Ave.

As Mrs. Crutchfield and many other readers guessed, last week's was of St. Edmund's Catholic Church on the corner of 132nd Avenue and 116th Street.

Mrs. Crutchfield won the prize put up by Sam's Cycle and Tackle Shop at 11916 129th Ave.

A great many readers tried their luck in last week's competition and we have chosen to mention a few:

Mrs. S. St. Clair of 13 Gresham Blvd., St. Albert, Mrs. J. W. Foniak of 19 Salisbury Ave., St. Albert, Don Quagheveur of 13538 127th St., Mrs. Gus Pachal of 13407 128th St., Mrs. L. Donnelly of 13320 137th St., Mrs. Margaret Vanos of 13015 132nd St., Pat Thom-

son of 12503 131st Ave., Melvyn Broten of 12916 123A St., Laurie Sokolan of 12012 132nd Ave., Maryn Gouette of 12808 130th St., Julie Girard of 40 St. Michael St., St. Albert, Mrs. G. Grove of 13025 121st St., O. J. Brooks of 13411 138th St., Mrs. F. Graham of 13545 119th St., Reggie Porter of 12604 130th Ave., Mrs. Wilma Dadey and Sidney Dadey of 13216 128th Ave., and A. E. Lanouette of 13412 134th St.

Athlone - Kensington - Calder - Wellington

Lawrence Day, 13, of 12904 - 136 Street, sings Schubert, Handel and Bach, but likes traditional songs and folk songs as well. His mother, Mrs. Cella Day, accompanies him on the piano.

He is 13 years old, but received two silver medals has been on Tommy Banks Christmas show on CBC, from the Royal Conservatory of Music of Toronto, re-

ceived either first or second honors for five years in a row in the Kiwanis Festivals appeared in the Scandapades several times and has won a great number of trophies and medals.

Lawrence Day, 12904 136th St., is a boy with an extraordinary voice.

When six years old, he used to go with his mother, Mrs. Cella Day, to the Good Shepherd Church, where Mrs. Day was the organist.

Though very shy and bashful he liked to sing in the choir and one day Mrs. Betty Gaylor, the choir director, and ever since his teacher, found out that Lawrence had a real good voice.

Later he acted in the Christmas Story as one of the wise men, and sang his first solo.

It proved to be only the start of something.

Today Lawrence sings Schubert, Handel and Bach, and folk songs and traditional songs. He can sing in Italian, German and Danish and he belongs to the Irish Society, from which he has got two awards - one in Gaelic Singing.

Mrs. Day teaches music, piano mostly, and Lawrence is apart from the singing practising piano and baritone.

"It is fun to play an instrument, but to me it can't beat the fun of singing," says Lawrence.

Lately, Lawrence has been more and more engaged in singing at weddings all around the city and Alberta and once he performed at a wedding in Vancouver.

Now and then people want to pay Lawrence some money for his duties, and this has enabled him to save up for a bike and to cover the costs for his singing training.

Mrs. Day, and husband Jim, a microwave technician for AGT, plan to visit relatives in England in 1971, and Lawrence hopes to save up enough to be able to pay his ticket by himself.

COMMUNITY NEWS

An executive meeting is set for Kensington Community League Oct. 1 in the Hall.

Executives from the six communities in the area will hold a meeting in the Kensington Hall Oct. 2.

Kensington's bingo has started and runs every Monday evening from 8 p.m. in the Hall, featuring a Bonanza-game.

Registrations for Tap Dancing, Baton, Hawaiian, and Modern Jazz in Wellington was held Sept. 29 and classes will commence on Monday, Oct. 6 and Tuesday Oct. 7.

Hockey registration for all categories and ages in Wellington will be on Monday and Tuesday, Oct. 6 and 7 from 7 to 8:30 p.m. in the skating lounge.

The proposed family life education program for Ed-

monton schools will be discussed at an open meeting Oct. 6 in the Eastglen School.

HOW FIRE-SAFE IS YOUR HOME?

Last year Canadians ran up a staggering fire loss of over 158 million dollars. Terrible as this property loss is, the waste of human life is even worse. Over 648 Canadians died in 1968 as a result of fire!

Three-quarters of all fires happen in the home. Be on guard all the time!

OCTOBER 5-11 FIRE PREVENTION WEEK

PROVINCE OF ALBERTA

Office of the
Alberta Fire Commissioner

Workshop meeting held on constituency boundaries

By Mrs. Rose Mariel

BON ACCORD: A meeting was recently held at the home of M.L.A. Keith Everitt in Bon Accord to discuss and make representation to the provincial legislative committee appointed and in charge of redistribution of seats for the Alberta Legislature which will consist of 75 seats. There will be 38 urban seats and 37 rural seats.

Present were delegates representing all political parties except the NDP who did not have any members at the workshop meeting. Mr. Leon Riopel, returning officer was present, the Social Credit Party was represented by Mrs. Charlotte Riopel and Mrs. Pat Krauskopf. Conservatives present were Ken Rogers, past president of the St. Albert Association, and William Flynn, president

of the St. Albert Association. Mayor Ray Gibbon of St. Albert accompanied by Mr. Paul Chalfoux, Mr. Ken Crook, president of the local Liberal Association, and Mr. Ed Savole of Villeneuve spoke for the Liberals. Mr. Walter Van de Walle, represented the Municipal District of Sturgeon Council.

The recommendations of the 1968 established committee to study various methods to change electoral boundaries in Alberta were read by Mr. Keith Everitt.

Mr. Everitt wholeheartedly supported the recommendations, that the town of St. Albert, with a population of 10,000 become an urban seat, and another rural seat be formed to take in the rural areas of Sturgeon. He also mentioned the fact that he was

in favor of having a direct representative in the Alberta Legislature for the armed forces stationed in Alberta. He mentioned that a member could be elected to represent the military establishment, Griesbach, Namao Air Base, Lancaster Park, Cold Lake and Penhold.

Mr. Everitt was emphatic in stating that he would oppose the fact, that the town of St. Albert would have a member of its own at the expense of the Municipal District of Sturgeon Part of the Municipal District of Sturgeon voters going to Redwater and the other part going to Pembina rural constituencies.

Mr. Everitt made it very clear that the only purpose of the meeting was to give useful advice to the committee if possible.

Mayor Ray Gibbon of St. Albert voiced opposition to have an urban seat for the town of St. Albert. However the majority of the representatives, favored direct representation.

A committee was chosen to draft the approved recommendations of those present and make an appointment to meet with the legislative committee.

Mr. Van de Walle was chosen chairman to meet with Mrs. Pat Krauskopf, Social Credit; Mr. Paul Chalfoux, Liberal, and Mr. Ken Rogers, Progressive Conservative. Dr. Dolman informed the committee that there would be no NDP representative.

It was stated that according to the 1966 census there were 15,926 population in the Municipal District of Sturgeon.

Mayor Gibbon of St. Albert recommended that a request be made to the legislative committee, that the boundaries of St. Albert constituency remain as they exist today.

Mr. Leon Riopel veteran returning officer for the constituency asked "Is it better to give St. Albert its own member, and sacrifice the Municipal District of Sturgeon portion?"

He pointed out that the Alberta Legislative committee had to create from the present number of seats that exist today and extend them to 75 seats.

"We have to move to meet the needs of the other constituencies," concluded Mr. Riopel.

Mr. Paul Chalfoux suggested that if possible the committee should recom-

mend that the boundaries stay as they are for the next eight years. He stated that the project population in the Town of St. Albert could be 20,000 with some 9,000 eligible voters.

"Then" said Mr. Chalfoux "It would be time to request the founding of an urban seat in St. Albert, and keep Sturgeon as a rural seat of some 12,480 people."

Mr. Everitt said that he never favored representation by population. He gave the large territory of the Lac La Biche constituency as an example. He then requested a directive in the form of a motion from the group present.

Mr. Van de Walle brought forth the thought that if the report was read correctly, that the Town of St. Albert should have a seat of its own.

Mrs. Pat Krauskopf stated that she supported the report as read.

Mayor Ray Gibbon then stated that he was prepared to present a minority report to the Legislative Committee, protesting the establishment of an urban seat for the Town of St. Albert, as he feared that St. Albert would become a part of an Edmonton seat and he was against any form of amalgamation with the city of Edmonton.

It was agreed that the local committee, composed of a representative from each political party under the chairmanship of Mr. Van de Walle, would study the Act and request clarification of this report about a urban member of the legislature for the Town of St. Albert.

Mr. Everitt reported that strong representation had been made to him personally, by certain members of the St. Albert Chamber of Commerce for an MLA for the Town of St. Albert.

Mayor Gibbon disagreed with this suggestion as the present population of St. Albert has only 5,000 eligible voters, and this number does not make it possible for the Town of St. Albert to have a member of its own. He repeated the fact that St. Albert could well then become part of an Edmonton riding.

Mr. Everitt supported Mayor Gibbon in opposing the fact that the Town of St. Albert could well become part of Edmonton.

It was finally agreed that the group favor retention of the present boundaries of the St. Albert Constituency if possible for the present. It would oppose the creation of a separate member of the Alberta Legislature for Alberta for the Town of St. Albert, if the Alberta Legislative committee demands a change now.

Top row, Mr. and Mrs. Arthur Rivet, Mr. Emile Tessier, pastor. Second row: Mr. and Mrs. Emery Teller and Mrs. Thomas Houle. Front row: Mr. Joseph Houle and Mr. and Mrs. Pete Rittinger.

POUND NOTICE

JUNIOR TENNIS CHAMPIONS

Bernice Parsons, John Lock, Dave Almond and Roberta Parsons

Almond triple winner

Despite the cold weather the St. Albert tennis club held the junior tournament this past Saturday - when four juniors ended up winning all the trophies in the under-18 age category.

Dave Almond was a triple trophy winner, winning the boys' singles by defeating John Lock 6-5 and later teaming with John to win the boys' doubles over Doug

Kane and Darwin Schwartz 6-3.

Dave's third trophy came for his mixed doubles victory with Roberta Parsons. They defeated Bernice Parsons and John Lock 6-4.

Dave, who just turned 15, has three more years to compete in under 18 tennis competitions and shows a good deal of promise for the future.

Bernice Parsons successfully defended the Safeway Trophy for girls singles in defeating her sister Roberta 6-2. In the final, she then teamed with Roberta to win the girls doubles, defeating Connie LeBlanc and Pat Daughinals 6-1 and Mary Jamison and Margolee Crooks 6-1.

Bernice and Roberta Parsons compete actively on the ladies tennis ladder and are usually in the third to fifth positions which is very good for junior girls.

No home yet for car club

The newly-formed St. Albert Stock Car Club's plans for a quarter-mile oval on Lakeview Drive south of the plastics plant received at least a temporary setback Monday night.

Council voted 5-1 to refer the matter to the town planner and town staff for reports. Mayor Ray Gibbon, who brought the matter before council, cast the only dissenting vote.

The mayor said the club was looking for a temporary location for the club, where it could store, fix and run its cars.

AROUND TOWN

Brownies and Guides have begun their activities for another year. Girls needing uniforms or having uniforms for sale should contact Uniform convener Mrs. R. A. Russell at 599-8274.

Around Town

Tom Skistod posted the
high single of 37 and high
triple of 875 in men's action
at the Grandin Lanes last
week.

M. Blasonette had 281
to take high single honors
in ladies' play and Thirza
Shultz had the high triple
with 707.

The Marguerite Youville
Ladies Auxiliary will hold a
workshop at the Youville
Home every Tuesday at
1 p.m. and Wednesday at
6:30 p.m. in preparation for
their bazaar, which will be
held on Sunday, Oct. 26, at
the Home.

Mr. and Mrs. Napoleon
Belley of 21 Belmont Drive
has left for Europe for a
month's holiday with Mr.
Belley's brother Simon and
his wife Alice of Ponoka.
They will be visiting and
touring Europe with their
grandson Cliff Hunting, his
wife and daughter. Cliff is
posted with the NATO Forces
at Fahr, Germany.

NEWCOMERS
We welcome the following
to St. Albert:
Mr. and Mrs. O. B. Berg
and family and Mr. and

Council seeks meeting regarding School Act

Town council will seek a meeting with the boards of the two local school districts to discuss the Draft School Act with a view to getting

better use out of library facilities.

The meeting was proposed by Councillor J. J. Bakker

in a motion recommending deferral of an appointment to the library board until such a meeting had been held.

Mrs. Margo Johnston, library board chairman, had recommended to council that Jack E. Williams be appointed to fill the vacancy created by the resignation of John de Bruijn.

Councillors Bakker, Frank Lukay, R. G. Wheatley, Rene Kambourff and Bob Russell voted in favor of the deferral. Mayor Ray Gibbon voted against it.

Councillor Bakker, in a report to council some time ago, took issue with a section of the Draft School Act which says school boards may "act for or in place of a municipal council in all things pertaining to public libraries under the Libraries Act or recreation and community activities under the Municipal Government Act."

"I consider this section most sweeping and dangerous if the object is to avoid duplication between municipal and school libraries," Councillor Bakker said in his report.

"A better solution would be that the school boards and the municipal council be represented on the library board, although together they should be in a minority on such a board."

Councillor Bakker said "The present section will lead to chaos."

"In recreation again duplication could arise. I think the central control should be with the municipal government. Perhaps," he suggested, "the addition of 'if requested by the municipal council' should be added."

Open house draws 200

Ceramic-mania has hit St. Albert. At least that's the way it appears following an open house and registration held by the St. Albert Arts and Crafts Guild Sunday at the Arts Centre.

More than 200 visitors flocked to the open house to view displays and take advantage of a final registration day for the various children's, teens' and adults' classes offered by the Guild and the Town of St. Albert recreation department.

While most classes are filled to capacity, ceramics classes are by far the most popular—so popular that extra classes for children and adults have been arranged and still there are names on the waiting list and inquiries about the next session of classes beginning in January.

Extra children's ceramic

School will be renamed

A contest will be held to choose a new name for Sir George Simpson Elementary School.

Details are being formulated by J. Black, acting superintendent of the St. Albert Protestant Separate School District.

The school is being renamed because there is always confusion between it and Sir George Simpson Junior High School, which occupies part of the same site in Grandin Park.

Early word on holidays

Students in the St. Albert Protestant Separate School District got the word early this year on their Christmas holidays.

But the word isn't quite as good as in 1968.

At a recent meeting the board set the dates as Tuesday, Dec. 23, to Friday, Jan. 2, inclusive. Add Saturday and Sunday, Jan. 3 and 4 and this makes a 13-day vacation.

Last year it was a 16-day break.

Winter is poking its frosty head around the corner and seven-year-old Ricky Colville of 10 Glenmore Cres. believes in being prepared. Ricky, who will be playing hockey for the first time, will probably see the ice come and go before he fills the man-sized hockey pants he's wearing.

Pirates of the Sturgeon League won the Little Canadian championship and the Bermont Insurance Agency Trophy that accompanies it this past summer. From left to right in the front row are Ross Melan, Don England, Blake Millroy, Bob Pavellich, Ian Easson, and Greg Pudowski. From left in the back row are Stephen Hoffart, a member

of the team in 1968 who acted as an assistant coach this season; Dale Reinbolt, Chris Hoffart, Allan Genereux, Ralph Wollenweber, Brian Benton, Steve Lister and coach Doug Millroy. Missing from the photo are Brock McLellan, John Penrose, Sandy Millroy and Mike McNeely, another member of the 1968 team who helped coach this year.
